

# PRODUCT SPECIFICATION

REF 7200 CEDERROTH WALL BRACKET FOR EYE WASH

## 1 GENERAL PRODUCT DESCRIPTION

### Description

A holder in green hard plastics intended for storage of a Cederroth Eye Wash bottle, making it easy to find in an emergency. The holder can be mounted on any vertical surface e.g. on a wall, in a vehicle, at the laboratory bench or on the Cederroth First Aid Panel. A glow-in-the-dark sign with instructions for use is included.

The Cederroth Wall Bracket for eye wash also serves as an opening device for the Cederroth Eye Wash and as an anti-theft system, as the Eye Wash bottle is automatically opened when removed from the holder and thus cannot be returned into the holder.

The Wall Bracket is intended for providing a safe and organized storage of the Eye Wash products, which will result in easy access of the products whenever needed

### Storage information

For maximum protection, keep in original package until use.
